## SPRING Society

Our Wonderful World

How lucky am I?

## SUMMER Natural World

Animals, Reptiles and Minibeasts

Who do I share the planet with?

Year 1

**Great Fire of London**

CQ

If you could step back in time to the Great Fire of London, what stories do you think you would hear and how do you imagine the people felt as their city changed?

**Travel and Transport**

If you could travel anywhere in the world, how might you get there and who might you meet along the way?

**Deserts (including Polar)**

If you could explore all of the deserts in the world - from burning hot sands to icy cold lands - what would you see, hear and feel?

Year 2

**Continents - Africa**

CQ

If Africa had a voice, what would it say?

**Pirates & Invaders**

Who makes the rules and who breaks them?

**Rainforests**

What would happen if the rainforest disappeared?

Year 3

**Inventors & Human Legacy**

CQ

What makes an idea powerful enough to change the world?

**Ancient Egyptians**

Was everyone equal in Ancient Egypt?

**Threats to the Environment**

What turns nature into a nightmare?

Year 4

**Continents - Asia**

CQ

How does life in India compare to ours?

**The Vikings**

How did the Vikings impact the world?

**Rivers**

If a river could tell its own story, what adventures would it share on its journey from source to the sea?

Year 5

**Space & Stargazers**

CQ

If Earth is our home, why are we looking beyond it?

**Natural Disasters**

What happens when nature fights back?

**Oceans**

How can we protect our oceans before it's too late?

Year 6

**Continents - Australasia/Oceania**

CQ

What hidden wonders lie in the lands, oceans and islands of Australasia and how can they help us understand the incredible diversity of life on Earth?

**Refugees**

If a refugee's suitcase could talk, what stories would it tell about hope, fear and courage?

**Evolution**

Could there be animals we've never even imagined hiding in the past, waiting to be discovered?
