1	4/30/23 17:14:54	Amazing achievement with changing the lunch menu so quickly, so much better. Now a request for more snacks fruit and biscuit at break time
2	5/2/23 13:42:47	Thanks so much for putting on another wonderful surf trip and giving up your bank holiday weekend to do it, mu daughter really enjoyed it. Thanks
3	5/3/23 10:38:19	Thank you for being so flexible and helpful in supporting my daughters GCSE options
4	5/7/23 19:37:01	My son said again last week he wished me to thank the staff member for his understanding and the time he takes to look out for him. I thought this was a good way to do it! My son clearly really appreciates what he does.
5	5/9/23 16:08:05	Thank you all for taking the time to meet with us at the JS Town Hall meeting this morning. The Zones of Regulation initiative I found particularly inspiring and will support the development of essential lifelong skills in our children. As always, I appreciated the honesty and transparency with which you communicate to us. Thank you
6	5/15/23 22:39:36	Exciting town hall tonight to meet the new Leadership "dream" team. Great to see them hitting the ground running. Lots of energy, passion and new innovations. Effectively summed up by saying, "The shackles are off"!
7	5/29/23 6:05:55	As a team you do an incredible job. My daughter has had a tough term with friendships, work load, teen stuff, questionable behaviour etc. All of you have been there in one way or another for her, whether its a smile, bit of encouragement or some sterner boundaries. She came home saying she'd never want to be anywhere else! Thank you so much for all your incredible dedication, it does not go unnoticed.
8	5/30/23 9:50:28	Staff havent clocked off just because year 11 students are no longer in the class room. Staff are responding promptly to messages regarding support for revision, including marking past papers my child is doing for revision which is so vital to making my child feel supported and listened which adds to his motivation to want to do his best in his GCSE's. Staff are not switching off so nor is my child at this critical point in his education.
9	5/30/23 13:10:01	Thank you for taking such good care of our children. The care and love you pour into your role is so comforting as is your calm approach, wise words, empathy and direction, for the students and also for the parents too.
10	5/30/23 13:14:15	Thank you for all your support through the GCSEs. Helping to build confidence, providing encouragement and being a great sounding board with wise words of advice.
11	6/16/23 19:00:32	Big thanks to the team who made the village work this week. My child had an amazing time
12	6/18/23 17:16:12	Since our yr12 son started at Frensham in 2017 we've seen the Knoydart trip as an important part of the school experience. After many set backs it was quite surreal that he finally got to go last week. He returned feeling that it had tested his resilience both mentally and physically whilst having plenty of fun and freedom. All the organised activities sounded excellent and innovative, but it was the actual time spent within the Knoydart community for the last couple of days that made the biggest impression on him. The group collectively decided to turn off their phones and they got stuck into the building project and learning about this unique area. Every school has DofE but not every school has Knoydart. It is a gem. So a big thank you to everyone involved in contributing to this very special adventure.
13	6/18/23 18:10:30	Thanks for organising the Village Project. I think this is an invaluable experience for the kids - no doubt testing at times for both students and teachers, but thoroughly worthwhile and everything that Frensham is about. Thanks again.
14	06/19/23 09.05.20	A school which goes well beyond what can be a rather dull and dry curriculum, my son has found a love of learning
15	06/19/24 09.05.20	Small class sizes, creativity and innovation in teaching, and individually tailored interests have enabled my son to thrive academically. Being truly happy in his educational environment has meant his grades have shot up.
16	06/19/25 09.05.20	Broad range of extra curricular and boarding activities that provide wider learning opportunities than can be taught in class.
17	6/20/23 19:53:25	My son has absolutely loved year 4. Staff have managed to get him enthused about every single topic-even rivers! He's often one of the first into class and loves having a chat with staff before his classmates arrive. Staff are always open to talk and I feel that they really 'get' Oscar. Thank you for a wonderful year.
18	6/20/23 20:20:44	Thank you for meeting with us to discuss our children's progress. I think you are doing a fantastic job and feel very lucky to have you involved in my children's education.
19	6/20/23 20:24:50	Thank you for all your encouraging words to the students performing this afternoon. It meant a lot to them and helped with their courage to get up and perform!
20	6/20/23 20:59:26	Thoroughly enjoyable music concert! Staff made everyone welcome and at ease. Thank you.
21	6/20/23 21:14:38	The music recital for Years 1 to 3 was magical. Perfectly pitched to encourage an enjoyment in performance. I kept hearing beforehand how nervous they each were and it was a joy to see their confidence grow as they stood/sat to perform. My child came to support their friend but came away inspired to potentially take up piano or singing lessons. It was a very special event.

22	6/20/23 22:05:54	<p>Thank you so much for organising the yr1-3 performance party today. It was so heart-warming to watch the children perform so happily and confidently. My child woke up so excited this morning and she really enjoyed singing to everyone. It was such a proud moment for me to watch her sing a solo. She is naturally quite shy, so having informal performance opportunities like today are so vital to build her confidence.</p> <p>I loved how the children watching were so supportive after each child rejoined the group, praising their performances and patting them on the back, so lovely to witness this today. We are fairly new to the school and I was in awe of the children's talent and confidence today, especially at such a young age.</p> <p>Thank you Josh for organising such an awesome performance party, I look forward to watching many more. Mae says thanks for all the yummy snacks too :)</p>
23	6/21/23 6:38:47	<p>Congratulations to the team on the fantastic performance party on Tuesday. Thanks so much for your amazing effort!</p>
24	6/21/23 7:57:20	<p>Thank you for all your help and advice over the last 5 years and for the amazing support you have given my son, building his confidence up from zero and empowering him to achieve in an area he found oh so difficult. Truly one of the unsung heroes of Frensham. Thank you.</p>

He is really keen to do more....please run it again in September:) It was so much fun for the children and it was wonderful to watch their progress over the past few weeks. I could hear her supportive encouragement to all the children when they were on the water, staff were really patient with them. It was lovely to watch them have fun jumping into the pond in the sunshine and hearing their laughter. Such a fab after school club, thank you thank you!</p>

47	6/27/23 17:26:59	Thank you for putting on Art and Textiles ECA for the Junior School! Both my children love creating with you. Your ECAs are one of the highlights of their week.
48	7/5/23 16:38:08	Your speech on Founders Day was fantastic. Getting to see and hear about the initiatives that have been implemented over the last few terms in the Junior School, witnessing the truly amazing year 6 student presentations, hearing from all the wonderful members of our community on what Frensham means to them. It really was a remarkable moment and a timely reminder of just how special our school is.
